

Grading/Erosion Control Application/Permit Commercial Construction

Location of Proposed Work: _____
(e.g. 400 block 11th St S or 1210 14th Av S)

Attach Drainage Plan and Erosion Control Plan for Review by the Engineering Department (all commercial permits).

MPCA Permit Identification Number: _____
(If land disturbance is at least one acre or part of a development/sale disturbing at least one acre)

Has a Storm Water Management Plan been Submitted to the City? Yes NA
(Required for all projects where one or more acres of cumulative impervious surface results)

Commercial Construction Contractor: I certify that I have reviewed a copy of the City Standards and/or any current Stormwater Pollution Prevention Plan (SWPPP) for the project area in which I am working and I am responsible to protect, repair or replace any installed erosion and sediment control measures disturbed by my activity, and to monitor effectiveness of the SWPPP during my construction activity in the area(s) listed above. I understand and agree to comply with any applicable provisions as described in the City of Moorhead Stormwater Management Ordinance (Chapter 8 of Title 3, Ord. No. 2009-8). I understand and agree to protect, repair or replace in-place erosion and sediment control measures, where applicable. I also understand that I may need to supplement or modify implemented protection measures as site conditions develop to control on-site erosion and ensure all site runoff is adequately treated by stormwater controls. I will also be responsible for actions of all subcontractors and delivery personnel at the worksite related to my construction activity, and their impact on any SWPPP or City Standards.

Company Name Street Address

City State Zip Code Telephone Fax
