**Moorhead's Arts and Culture Commission invites you to hear about our progress and offer your thoughts in answer to the question:**

*How can we build on Moorhead's rich cultural history and wealth of arts and cultural resources to create a vibrant future?*

The City of Moorhead is developing a vision for the future of Arts and Culture in Moorhead. The goal is a roadmap that articulates the value of arts and culture to be incorporated into community and economic development activities and inspires the growth of the creative sector throughout the city.

You may also provide input into this community assessment process by participating in an online survey at [cityofmoorhead.com/art](http://cityofmoorhead.com/art) or sharing your ideas in an email to [art@cityofmoorhead.com](mailto:art@cityofmoorhead.com)

This activity is made possible by the voters of Minnesota through grants from the Lake Region Arts Council, thanks to a legislative appropriation from the Arts and Cultural Heritage fund.
